RENEWED PETITION UNDER 37 C.F.R.1.181

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is in response to the Decision On Petition dated February 15, 2008 in response to the  
Petition For Withdrawal of the Notification of Abandonment dated January 4, 2008.

As noted in the Petition, the Notification of Abandonment asserted that Applicant failed  
to respond to the Notification of Missing Requirements dated March 28, 2007. Applicant never  
received the Notification of Missing Requirements in this case.

The undersigned attests that a search of the file jacket indicates that the Notification of  
Missing Requirements was not received.

The Decision asserted that Applicant has not provided a copy of docket records where the

non-received office action would have been entered. Attached to the Petition, Applicant submitted copies of records dated March 14, 2007, through April 13, 2007, from the electronic PTO Mail Log showing the incoming PTO mail for every patent, patent application, trademark registration and trademark application handled by Venable LLP. Applicant attached another copy to this Request. Applicant also previously submitted copies of records dated March 14, 2007, through April 13, 2007, from the electronic docketing system (IPMaster) of Venable LLP for this particular application. Both of these provide evidence that the Notification of Missing Requirements was not received by Venable.

Applicants have provided evidence that the Notification of Missing Requirements was not received at Venable LLP. Accordingly, the Notification of Abandonment should be withdrawn, the application reinstated, and the Notification of Missing Requirements remailed without the payment of any fee by Applicant.

The undersigned authorizes the Commissioner to charge fee insufficiency and credit overpayment associated with this communication to Deposit Account No. 22-0261.

Respectfully submitted,

Date: 4/15/08
